You will be asked to type in your code name (**code name is provided by TECHMAX**) and email address before joining the meeting.

Please refer to the email request, enter the **YOUR** code name and email address.

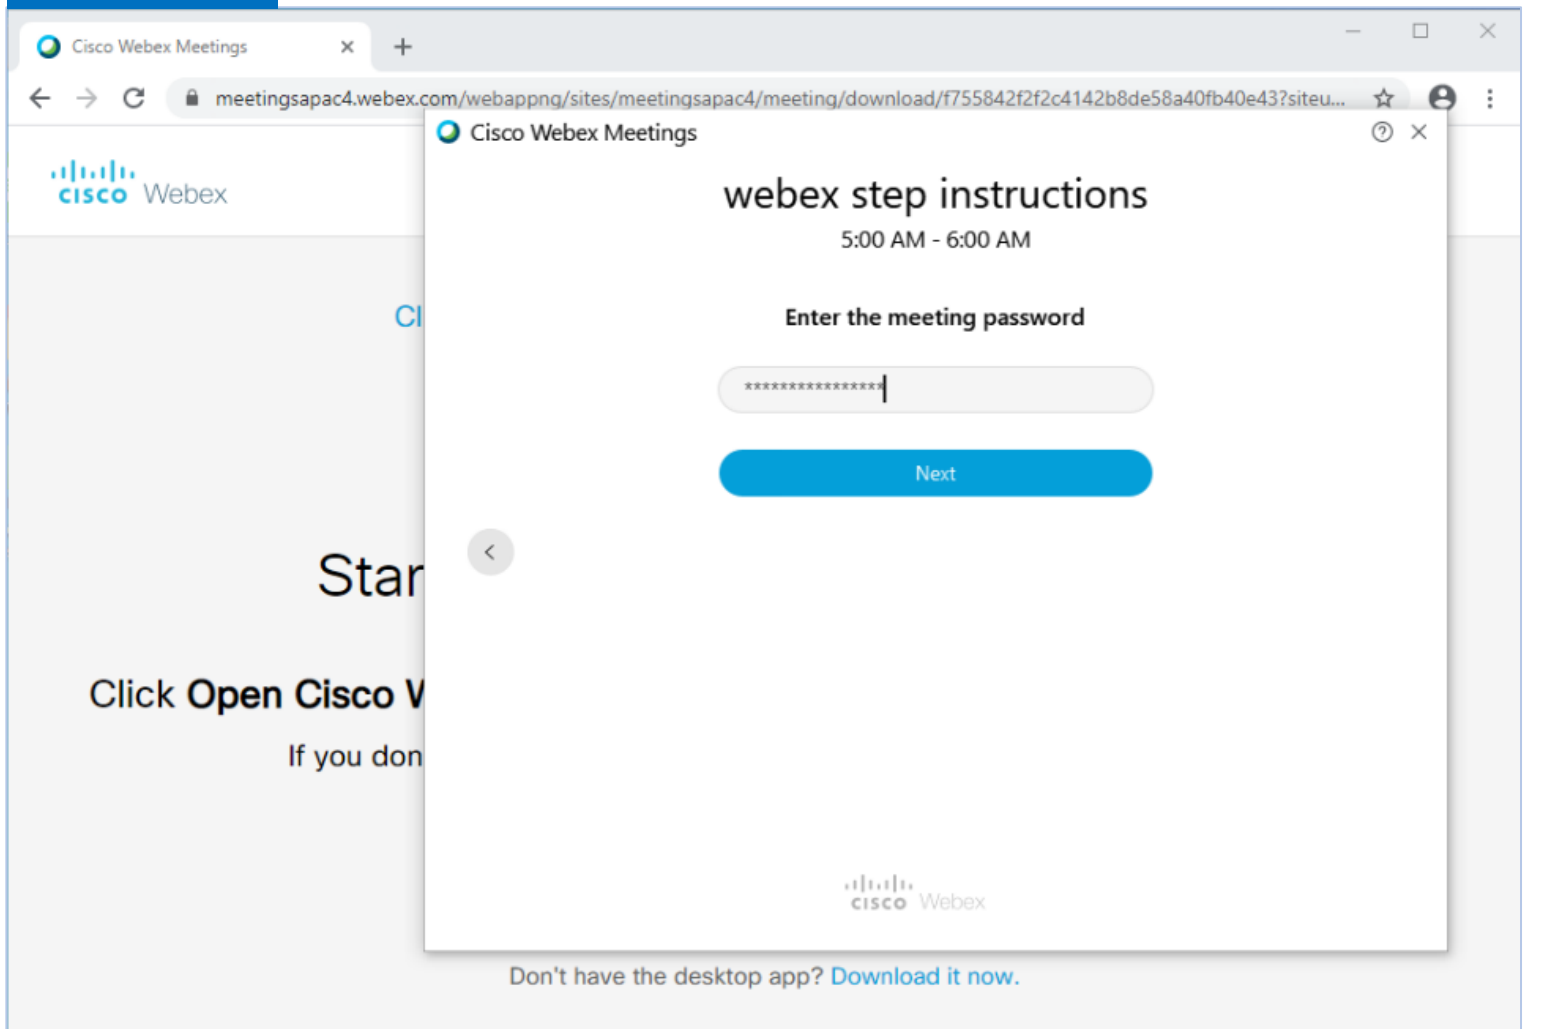

The screenshot shows a web browser window with the Cisco Webex Meetings interface. The browser tab is titled "Cisco Webex Meetings" and the address bar shows a URL starting with "meetingsapac4.webex.com". The main content area displays the Cisco Webex logo and a sign-in form titled "webex step instructions" for a meeting scheduled from 5:00 AM to 6:00 AM. The form prompts the user to "Enter your information" and includes input fields for "name" and "name@e-mail.com", followed by a blue "Next" button. Below the form, there is a link for "Already have an account? Sign in" and "More ways to sign in" with icons for Google, Microsoft, and Facebook. At the bottom of the page, there is a link that says "Don't have the desktop app? Download it now."

Click on the Join WebEx meeting link in the email invite to enter the meeting.

You will need to enter the password to the meeting found in the email invite (if applicable.)
